

Aikido Institute of New Mexico
6807 4th St. NW
Los Ranchos de Albuquerque, NM 87107
(505) 342-1164

May 20, 2009

Dear Members,

We have now added the option to pay your dues by credit card through PayPal on our dojo website, <http://www.aikidonm.org>. At the bottom of the home page, you will see the link "[Click here to pay your dues to Aikido Institute of New Mexico using PayPal.](#)" Follow this link to the payment page, where you can add the appropriate dues categories to your cart. Note that if you are taking weapons/iaido classes along with aikido, you will need to add the fees for aikido and weapons/iaido separately to your cart before proceeding to checkout. If you are paying an amount other than those listed, choose the "Other Multiple of \$1" category, and update the quantity on the shopping cart page. Due to increased costs, please note *that as of April 1, 2009, we will begin to charge a 3% fee to all credit card payments*, which will appear on your receipt as taxes. You are not being charged the usual sales tax at this point.

If you would like us to automatically charge your fees to your credit card on the first of this month, please speak with Terri Sensei.

As a reminder, please remember that dues are due on the first of each month, and a \$10 late fee will be charged for payments received after the 5th of the month. If at any time you are experiencing difficulties in meeting this due date, please speak with Terri Sensei, and we will do all that we can to make arrangements with you. We have never turned away any of our students due to financial considerations.

Thank you for your continued cooperation,

Aikido Institute of New Mexico
